

2025

Hello, I'm Jess, the creative mind behind J Austin Designs.

Here's a bit about me:

Experience: I've been a florist since I was 14, with over 17 years of experience and counting.

Engagement: I'm recently engaged to my partner of five years, Mikey, and we're thrilled to be planning our wedding for 2026.

Family: I'm a proud stepmum to my 7-year-old stepson, Freddie, who is an avid football enthusiast.

Attention to Detail: As a self-proclaimed perfectionist, I'm dedicated to ensuring every arrangement exceeds expectations.

Background: I hold a degree in Textile Design with a specialism in Embroidery, where I honed my expertise in colour composition and artistic design.

Passion: My favourite part of any wedding day is witnessing the couple's joy when they see their flowers on the big day—it's a truly magical moment that makes all the planning worthwhile.
